Draft appd

The consequential questions referred to in the linked file regarding the method of collecting the amounts that may be sanctioned I believe it was agreed at the meeting that bills should be paid by the municipality once a quarter. This may be incorporated in the final order to be issued about procedure etc.

Mr 260-32-16

Proceedings of the Government of His Highness the Maharaja of Mysore.

Read:-

Government Order No.L1129-31/M1 260-32-13 dated the 9th August 1933 laying down the conditions of the supply of water to the Bangalore City from the Sri Chamarajendra Water Works at Thippagondanahalli.

Order No.L. 2410-12

Dated the Bangalore 12th October 1933.

In their order read above, Government directed that for the sum of Rs.4lakhs to be paid by the Municipality annually towards water charges including the cost of distribution, a supply of water up to a limit of 2½million gallons per day be made, that a further supply up to a limit of 2½ million gallons per day be given to the Municipality provided the supply ~~is~~ was possible and that to meet the excess charges, ~~if any~~, due ~~to~~ the increased ~~in the quantity of the~~ supply, a subvention be paid by Government to the ~~Municipality~~ Municipal Council of a sum ~~of~~ upto Rs.50,000 per annum for a period not exceeding five years.

2. Government have reconsidered the matter, as a result of a deputation representation made by the municipality, and are pleased to direct, in modification of the order dated 9th August 1933, that a supply of 3 million gallons of water per day be given to the Municipality for the sum of Rs. 4 lakhs to be paid by it every year and that any supply beyond that quantity should be paid for ~~kkm~~ by the Municipality at rates to be settled in due course.

Proceedings of the Government of His Highness
the Maharaja of Mysore.
